How's it work?

Every Chamber member receives a *Preferred Savings Plus!* membership card. You can purchase extra membership cards for \$1.25 each for orders under 50 and \$1.00 each for orders of 50 and over (*additional discounts are available for larger quantities ordered) through the Olathe Chamber ([click here](#)). Many companies have purchased extra cards for their employees as a special benefit—a very popular gift! Discounts are available for larger quantities, as well as cards that display your company's logo for personalization. Contact Dana Ketterling at dketterling@olathe.org or (913) 764-1050 for details.

For redemption, sign your card and present it when you make your purchase. Your card will be valid through Dec. 31, 2010. Offers can be updated monthly, too. A printed coupon from the Web site (www.olathe.org/value) must be presented in addition to the card to redeem Great Mall offers and offers from some additional merchants.
